

Sjekk og fornyelse av Transponder brikke, MYLAPS abonnement.

For å sjekke transponder for strøm (batteriet kan ikke lades) og status på ditt mylaps abonnement, last ned «Flex Manager» til en PC, og installer programmet.

Du finner den under [www.mylaps.com](https://www.mylaps.com/support/Software&firmware) \support\Software &firmware.

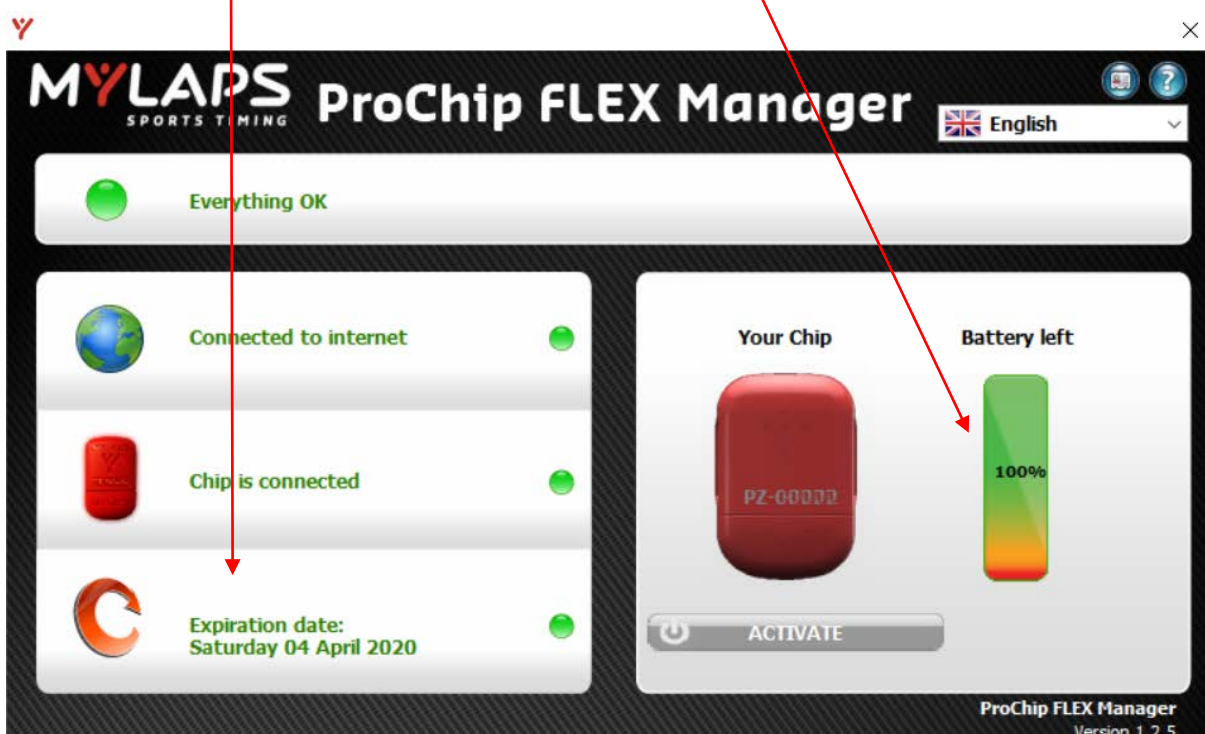

Åpne Flex manager.

Koble til Transponderen i en USB-port på PC'n.

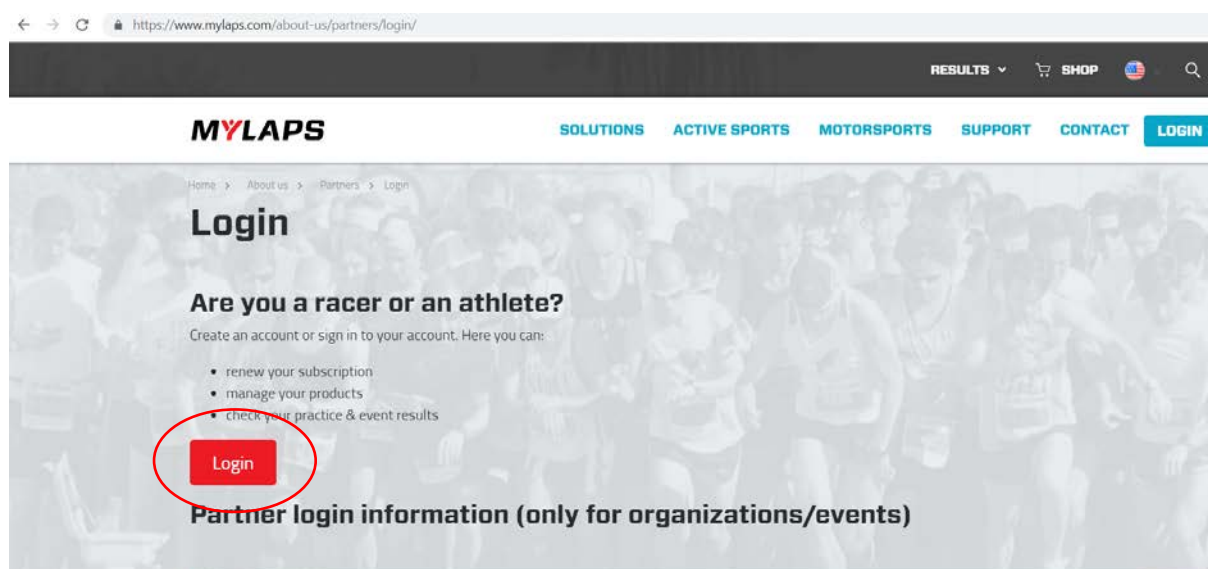

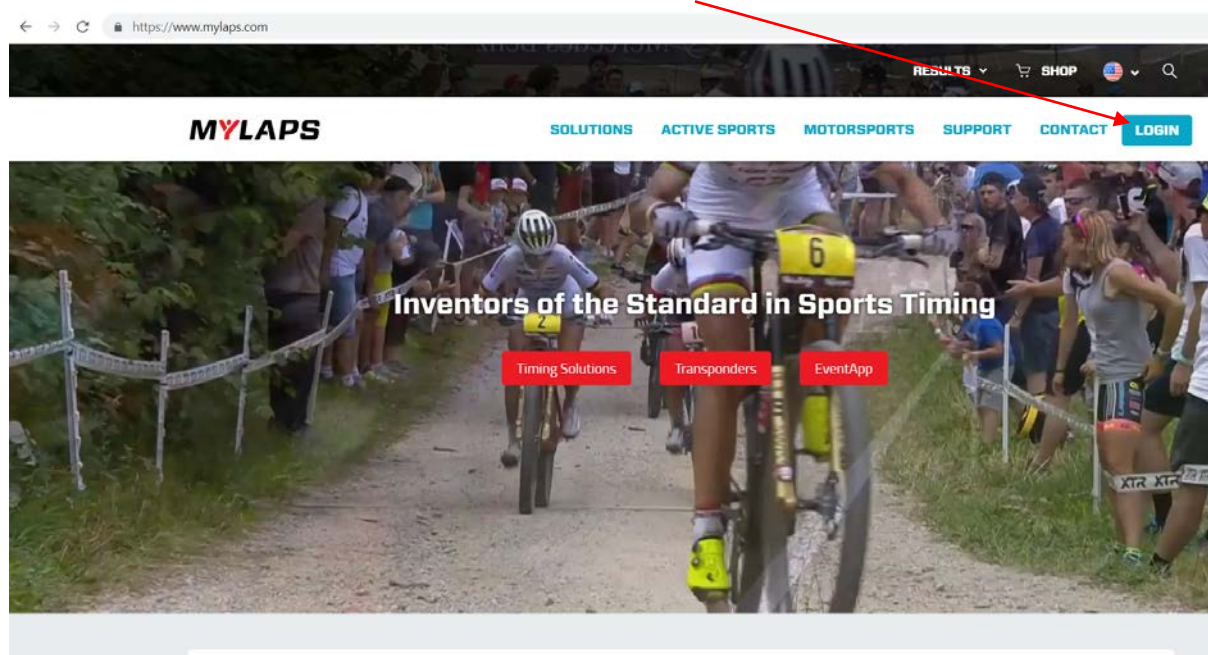

Du får opp Expiration day (Når abonnementet går ut) og Battery left

Dersom du trenger å fornye abonnementet ditt, gjør du følgende:

Gå til www.mylaps.com, opprett en bruker.

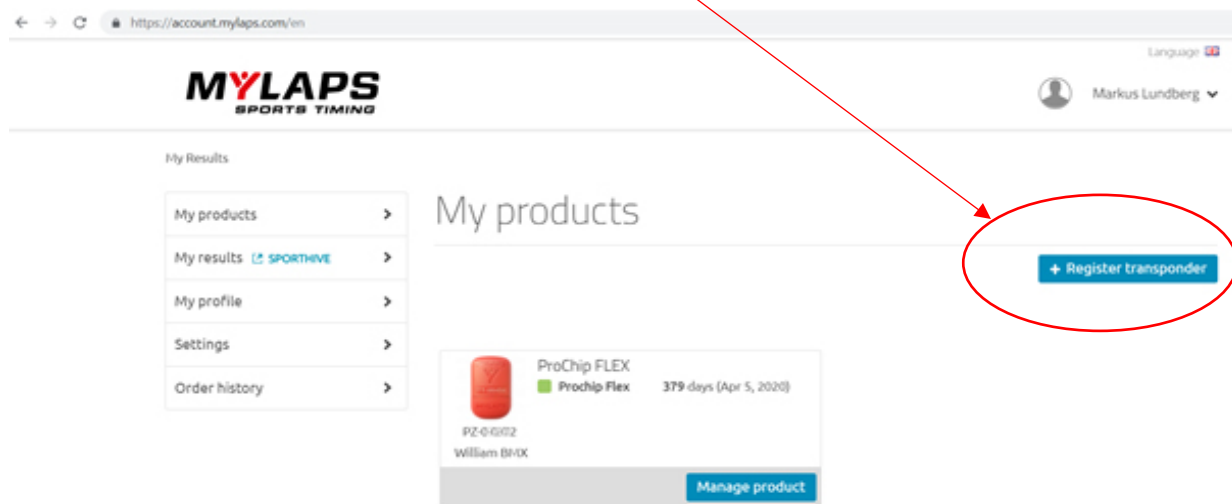

Email

Password

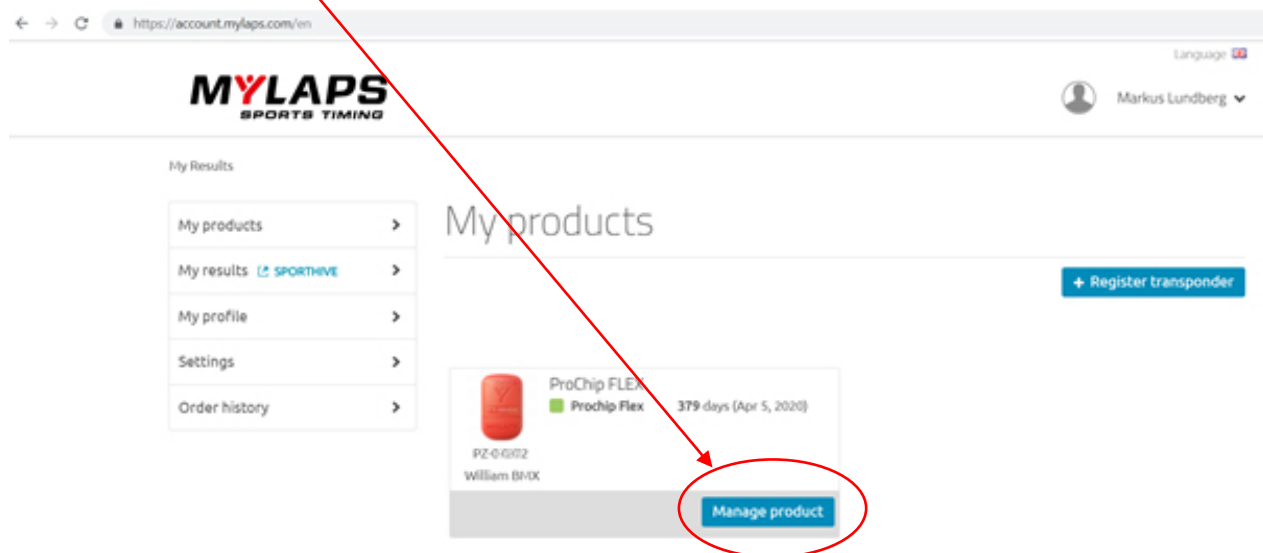

[Forgot password](#) [Log In](#)

[Create new account](#) [Need help?](#)

Registrer Transponder på «min side» , registreres med S/N på transponderen.

Gå til manage product

Velg abonnement, og kjøp online.
